

## **REQUEST FOR STATEMENTS OF QUALIFICATION**

Public Utility District No. 1 of Pend Oreille County is inviting statements of qualifications and performance information from firms interested in providing professional engineering services for a fiber to the premise network construction project(s) in Pend Oreille County, Washington.

This project is funded primarily by a grant from the National Telecommunications Infrastructure Association, Broadband Telecommunications Opportunity Program Grant #NT10BIX5570059.

The professional services expected to be delivered may include, but are not limited to:

- As-Built Drawings
- Construction Management
- Environmental Assessment Process
- Federal Reporting Requirements
- Fiber to the Premise Tripe-play Capable Network Design
- Open Access Network Design and Integration
- Outside Plant Detail Design and Construction Drawings
- Preparation of Construction Bid Documents
- Preparation of Material Specifications and Bid Documents
- Project Closeout
- Right-of-Way Acquisition
- Rural Utility Service Design Standards

Interested parties may obtain a complete scope of work by contacting the District's Contracts Administrator at (509) 447-9345. Statements of Qualifications must be received no later than 2:00 p.m., (Pacific Standard Time) June 7, 2010. Submittals may be sent to:

Pend Oreille County Public Utility District  
Contracts Administrator  
PO Box 190  
N. 130 Washington  
Newport, WA 99156

Minority- and women-owned firms are encouraged to submit statements of qualification. Public Utility District No. 1 of Pend Oreille County is an equal opportunity and affirmative action employer.
